PRESIDENT REPORT 2019-20

I am privileged to present the Bowls North Inc Annual report for 2019-20.

To have the honour of sitting alongside an enthusiastic Board which has made my position so much easier. They are full of talent and imagination.

I am unable to express my thanks and appreciation enough to Secretary Vicki, for her dedication and work ethic to her position. Vicki is always available to give advice and help where needed. She is a trusted colleague.

Special thanks to Maxine Viney for her guidance and assistance, she is a fine thinker and great organiser.

David Heron has not only conducted our affairs with due diligence, but his words of wisdom are greatly appreciated. He continues to distinguish himself in a calm and methodical way.

For those Clubs who were to embark into the final series, we appreciate the disappointment that we were unable to continue. This was a super challenging time for all. Thanks for accepting the decisions that had to be made to protect our members.

Life Member, Pat Bennett has continued with operating the website. This is a wonderful service of information and we are grateful for her participation.

RCC Meetings are ongoing and are an environment for exchanging ideas and furthering the advancement of Bowls within our State.

As usual our umpires have experience another remarkably busy year and without their ongoing support, we would not be able to play. We urge all Club's to try and get more member's qualified. This will ease the burden, as we will be able to share the tremendous amount of work they do.

I must make mention of Michael Shingles and his involvement with the Portal. I am sure Club's would appreciate the help that he has provided, also his work as Bowls North Statistician was second to none.

All Coaches, Selectors and Managers must be recognised for their work, a very thankless task which they do for the love of the game.

Our Juniors have been fitted out with new Northern uniforms, these were donated by the 'Roger Baker Memorial Fund. The Baker family would have been immensely proud to see the young bowlers kitted out.

We appreciate the work of our Publicity officer, Courtney Hobbs, who had to cease due to work commitments and Michael Sims who now holds this position. This is important position for our organisation.

I wish to thank Bowls Tasmanian for their assistance and guidance throughout the year and look forward to their continued support.

To the outgoing Board Members. My sincere thanks for your friendship and confidence throughout 2019-20.

Regards

Greg Smith
