PRESIDENTS REPORT

It is with a great deal of pleasure that I present my annual report for 2021-22. As I am standing aside as President this will also be my final report.

Having worked with the most valuable assets within our sport, I will always be grateful to have the opportunity to collaborate and lead a wonderful group of people without whom our sport of bowls just would not happen.

My personal thanks to Vicki Bassett for her tireless work as Secretary also David Heron as Treasurer and a remarkable group on the Board of Management.

Vice President Maxine Viney has always given me huge support and encouragement to me, which I am extremely grateful.

Thanks to the Match committee for their thankless task over the past year which with covid has made their task that much harder.

To All the clubs and their Greenkeepers thanks and appreciation for allowing Bowls North to conduct our championship events on the best greens available.

A task which goes unrewarded but is vital to our game. A big thank you to our officiating umpires and officials. Your time and expertise are of the utmost importance.

The Board of Management of Bowls North have made many changes and sought input from members and clubs, hopefully these changes and suggestions will be for the betterment of our sport.

To the Board of Bowls Tasmania and our sister regions, it has been a pleasure to have worked with you.

I would like to congratulate all Pennant winners both local and state. You have represented the Bowls North region well.

I would like to thank all members for allowing me the honour of being your President and I wish our new incoming President and the Board of Management my best wishes and to ensure your deliberations and decisions made are for the benefit of all members of our great game.

Yours in Bowls

Greg Smith OAM JP

President
